"Feasting on the Gospels is a new series that follows up on the success of the Feasting of the Word series to provide another trusted preaching resource, this time on the most preached-on books in the Bible, the four Gospels." -- Inside cover The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. The NIV Study Bible is the #1 bestselling study Bible in the world's most popular modern English Bible translation. This best-loved Bible features a stunning four-color interior with photographs, maps, charts, and illustrations. One look inside this white Italian Duo-Tone(TM) edition reveals why this Bible is a favorite for over 9 million people. Origen was the greatest intellectual in the third century church, and the most influential of all the Greek Church Fathers. His writings covered many different subjects, including commentaries on most of the books of the New Testament and many of the Old Testament. Late in his life, he wrote a Commentary on the Gospel of Matthew. This was the first commentary ever written on this Gospel so far as we know. It covered the entire Gospel in twenty-five books. Only eight of these books have been preserved in the Greek language in which Origen wrote. A Latin translation made in the sixth century has preserved the contents of several additional books. There are, furthermore, numerous fragments from the commentary preserved in ancient writings. 0This is the first translation into English of the entirety of the Greek and Latin remains of this important commentary, including most of the fragments. The translation is in modern English and includes brief annotations. The introduction sets the commentary in the context of Origen's life. It is his last preserved exegetical work. Evidence is presented that suggests that it post-dates the Contra Celsum, long considered Origen's last work. This volume covers chapters 1:1 - 16:12 of Matthew. Recognized in academic circles for being the first for the following: 1. use of insights from the Dead Sea Scrolls to solve biblical problems. 2. discover midrash (commentary on Scripture) in the First Testament. 3. publish intertextual commentaries both in the First Testament and in the New Testament. 4. discover the northern boundaries of the Promised Land. 5. discover independently (as one of two scholars) the true location of the temple at Zion. 6. discover the method for distinguishing the teachings of Jesus from the additions of the later church. Other scholars have followed Schweitzer in declaring that this could not be done. Other Biographical Data for Prof. Buchanan: Ordained elder in the United Methodist Church, pastor of churches for fourteen years. Horowitz Fellow, Scheuer Fellow, Rosenstiel Fellow, Association of Theological Schools Fellow, Claremont--Society of Biblical Literature Fellow, Recipient of the Alumni Achievement Award, Simpson College, Recipient of Numerous Research Grants "The English translation at the beginning of each section is France's own, designed to provide the basis for the commentary. This adept translation uses contemporary idioms and, where necessary, gives priority to clarity over literary elegance." -- BOOK JACKET. Matthew's Gospel also tells a story of Jesus, the son of David the son of Abraham directing the reader to the Saviour of the world. 'Chamblin clearly wants me to understand Matthew and to stand amazed in the presence of Jesus the Nazarene. THE EXPANSIVE COMMENTARY COLLECTION is a new release of much loved and oft used commentaries. Each commentary is beautifully formatted with every verse given an uncluttered presentation for ease of reference and use. We have taken great care to provide you with each individual commentary as it was intended and written by the original author. In this volume we give you Charles H. Spurgeon commentary on the Matthew's Gospel. Matthew's Gospel was

written by a former tax-collector who was called and changed by Jesus Christ. It was not just a name change from Levi to Matthew but a heart change from sinner to saint. In his Gospel Matthew reveals Jesus Christ as King of the Jews. The Prince of Preachers, Charles H. Spurgeon (19th June 1834 - 31 January 1892) was not only a wonderful orator but also magnificent with his pen. The sermons he preached touched the lives of thousands. His writings still continue to reach those who read them to this very day. Reading Spurgeon today may be secondary to the impossibility of hearing him but there is no doubt that his words still carry the weight of Biblical truth. Spurgeon is best remembered as the pastor the Metropolitan Tabernacle, London, England. There he enjoyed many years of fruitful ministry, leading people to Christ and pastoring the ever growing congregation of the Church. And he said to them, 'Follow me'. When Jesus called upon Matthew, as he sat in his office where he collected customs duty, Matthew got up and followed him and left everything behind him except one thing - his pen. Matthew was to become the great chronicler of Christ's life and teachings and, though it is now widely accepted that he did not write the gospel itself, the influence of Matthew's record is undeniably felt throughout. This first volume of William Barclay's thoughtful study of the Gospel of Matthew brings startling insights into Jesus' early life and teaching. Journey with Barclay and re-discover the baptism of Jesus, the Sermon on the Mount and the challenges of discipleship. William Barclay's world-renowned down-to-earth New Daily Study Bible commentaries - including his own translations of the New Testament texts - have inspired millions of people across the generations 'to know better their Bible, their God and their Saviour'. For over one hundred years, the International Critical Commentary series has held a special place among works on the Bible. It has sought to bring together all the relevant aids to exegesis — linguistic and textual no less than archaeological, historical, literary and theological—with a level of comprehension and quality of scholarship unmatched by any other series. No attempt has been made to secure a uniform theological or critical approach to the biblical text: contributors have been invited for their scholarly distinction, not for their adherence to any one school of thought. The first paperback editions to be published cover the heart of the New Testament, providing a wealth of information and research in accessible and attractive format. This book is the first of two volumes arguing that kingdom ethics is the core substance of the message of the historical Jesus. Paul and Matthew were influential voices in formative Christianity. Some prominent exegetes have tended to contrast Jesus and Paul, as well as Paul and Matthew. This volume demonstrates that Jesus' kingdom ethics—based on divine wisdom, mercy and justice—originated in Stoic philosophy, and that it became a popular ethos of the first-century Graeco-Roman world. This common transformative ethos of crossing conventional boundaries regarding patriarchy, gender injustice and bigotry based on class and sexuality was articulated differently by Jesus, Paul and Matthew. The book will appeal to specialists in the fields of New Testament scholarship and ancient Graeco-Roman and Hellenistic-Semitic literature. Recognized as a masterly commentary when it first appeared, Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two-volume work -- the result of seven years of careful refinement, enrichment, and updating. Through this commentary, crafted especially for teachers, pastors, and Bible students, Bruner aims "to help God's people love what Matthew's Gospel says." Bruner's work is at once broadly historical and deeply theological. It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions. It is theological in that it unpacks the doctrines in each passage, chapter, and section of the Gospel. Consciously attempting to bridge past and present, Bruner asks both what Matthew's Gospel said to its first hearers and what it says to readers today. As a result, his commentary is profoundly relevant to contemporary congregations and to those who guide them. Bruner's commentary is replete with lively, verse-by-verse discussion of Matthew's text. While each chapter expounds a specific topic or doctrine, the book's format consists of a vivid, original translation of the text followed by faithful exegesis and critical analysis, a survey of historical commentary on the text, and current applications of the text or theme under study. In this revision Bruner continues to draw on the best in modern scholarship -- including recent work by W. D. Davies and Dale C. Allison Jr., by Ulrich Luz, and by many others -- adding new voices to the reading of Matthew. At the same time he cites the classic commentaries of Chrysostom, Jerome, Augustine, Luther, Calvin, Bengel, and the rest, who, like Bruner himself, were not simply doctrinal teachers but also careful exegetes of Scripture. Such breadth and depth of learning assure that Bruner's Matthew will remain, as a reviewer for Interpretation wrote, "the most dog-eared commentary on the shelf." Volume 1 of Bruner's commentary is called The Christbook because the first twelve chapters of Matthew are focused on the nature and work of Christ. As Bruner proceeds through these chapters, he shows how Matthew presents, step by step, central themes of Christology: Jesus' coming (chapters 1-4), his teaching (5-7), his miracles (8-9), his sermon on mission (10), and his person (11-12). Throughout the book there are also thoughtful discussions of significant topics such as baptism, marriage, Jewish-Christian relations, and heaven and hell. Eminently readable, rich in biblical insight, and ecumenical in tone, Bruner's two-volume commentary on Matthew now stands among the best in the field. R.T. France's study of Matthew's Gospel is a contribution to the Tyndale New Testament Commentaries, a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means, without undue recourse to scholarly technicalities. Delmont's book is filled

with compelling narratives that outline with nuance, rigor, and complexity how Black Americans fought for this country abroad while simultaneously fighting for their rights here in the United States. Half American belongs firmly within the canon of indispensable World War II books.” —Clint Smith, #1 New York Times bestselling author of *How the Word Is Passed: A Reckoning with the History of Slavery Across America* Over one million Black men and women served in World War II. Black troops were at Normandy, Iwo Jima, and the Battle of the Bulge, serving in segregated units and performing unheralded but vital support jobs, only to be denied housing and educational opportunities on their return home. Without their crucial contributions to the war effort, the United States could not have won the war. And yet the stories of these Black veterans have long been ignored, cast aside in favor of the myth of the “Good War” fought by the “Greatest Generation.” *Half American* is American history as you’ve likely never read it before. In these pages are stories of Black heroes such as Thurgood Marshall, the chief lawyer for the NAACP, who investigated and publicized violence against Black troops and veterans; Benjamin O. Davis, Jr., leader of the Tuskegee Army, who was at the forefront of the years-long fight to open the Air Force to Black pilots; Ella Baker, the civil rights leader who advocated on the home front for Black soldiers, veterans, and their families; James Thompson, the 26-year-old whose letter to a newspaper laying bare the hypocrisy of fighting against fascism abroad when racism still reigned at home set in motion the Double Victory campaign; and poet Langston Hughes, who worked as a war correspondent for the Black press. Their bravery and patriotism in the face of unfathomable racism is both inspiring and galvanizing. In a time when the questions World War II raised regarding race and democracy in America remain troublingly relevant and still unanswered, this meticulously researched retelling makes for urgently necessary reading. Standing at the start of the New Testament, the Gospel of Matthew provides a bridge from the Jewish world awaiting a Messiah to the emerging Christian world of Jesus and his followers. This Gospel introduces us to Jesus as the Master Teacher whose words of instruction are captured in large teaching sections. Part One covers Matthew 1:1-16:28, from the birth of Jesus through much of his public teaching life, to the first prediction of his passion. Commentary, study and reflection questions, prayer and access to recorded lectures are included. 5 lessons. Commentary on the Gospel of Matthew - Volume 1 is an unchanged, high-quality reprint of the original edition of 1886. Hanserbooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hanserbooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future. Despite some gaps in coverage, the *Incomplete Commentary on Matthew* has long been prized for its early and lengthy exposition of the Gospel of Matthew. Thomas Aquinas noted that he would rather have a complete copy of the *Incomplete Commentary on Matthew* than to be mayor of Paris. Jerome covers the entire text of Matthew's gospel by means of brief explanatory comments that clarify the text literally and historically. In the second volume of his commentary on the gospel of Matthew, Peter Leithart presents a close study of Matthew 13 through 28, underscoring Jesus' formation

of a counter-kingdom that also retells the story of Israel. Jesus is the true Israel who takes on the roles of various Old Testament leaders: Moses the law-giver, Joshua the conqueror, Solomon the philosopher-king, Elisha the wonder-working prophet leading a company of prophets, as well as Jeremiah and Ezekiel warning of the temple's imminent destruction. Jesus' interactions with the leaders of Israel recapitulate Yahweh's tortured interactions with Israel in the Old Testament. In spite of Israel's repeated rejections, Yahweh never gave up on His beloved. His love is stronger than death, and He returns as the world-emperor to send His new Israel to disciple the nations.

NOT TODAY, SANTA.** Matthew Prince is young, rich, and thoroughly spoiled. So what if his parents barely remember he exists and the press is totally obsessed with him? He's on top of the world. But one major PR misstep later, and Matthew is cut off and shipped away to spend the holidays in his grandparents' charming small town hellscape. Population: who cares? It's bad enough he's stuck in some festive winter wonderland—it's even worse that he has to share space with Hector Martinez, an obnoxiously attractive local who's unimpressed with anything and everything Matthew does. Just when it looks like the holiday season is bringing nothing but heated squabbles, the charity gala loses its coordinator and Matthew steps in as a saintly act to get home early on good behavior...with Hector as his maddening plus-one. But even a Grinch can't resist the unexpected joy of found family, and in the end, the forced proximity and infectious holiday cheer might be enough to make a lonely Prince's heart grow three sizes this year. While part of a series, this book stands alone.

People Are Raving About Timothy Janovsky: "This book made my queer heart so very full and deeply happy."—Anita Kelly "A cinematic daydream guaranteed to steal your heart."—Julian Winters "Wonderfully upbeat and sweet."—Suzanne Park "Full of hope and heart."—Alexandria Bellefleur "[A] fresh, sweet, and swoony love story that blends coming-of-age comedy with the nuances of exploring sexual identity."—Alison Cochrun

This is the first installment of a three volume series of Bo Giertz's New Testament Commentaries, translated into English by Bror Erickson. From Matthew Quick, the New York Times bestselling author of *The Silver Linings Playbook*—made into the Academy Award-winning movie starring Jennifer Lawrence and Bradley Cooper—comes a poignant and hopeful novel about a widower who takes in a grieving teenager and inspires a magical revival in their small town. Lucas Goodgame lives in Majestic, Pennsylvania, a quaint suburb that has been torn apart by a recent tragedy. Everyone in Majestic sees Lucas as a hero—everyone, that is, except Lucas himself. Insisting that his deceased wife, Darcy, visits him every night in the form of an angel, Lucas spends his time writing letters to his former Jungian analyst, Karl. It is only when Eli, an eighteen-year-old young man whom the community has ostracized, begins camping out in Lucas's backyard that an unlikely alliance takes shape and the two embark on a journey to heal their neighbors and, most importantly, themselves.

From Matthew Quick, whose work has been described by the *Boston Herald* as "like going to your favorite restaurant. You just know it is going to be good," *We Are the Light* is an unforgettable novel about the quicksand of grief and the daily miracle of love. The humorous, soul-baring story of Lucas Goodgame offers an antidote to toxic masculinity and celebrates the healing power of art. In this tale that will stay with you long after the final page is turned, Quick reminds us that life is full of guardian angels. Concise and accessible, this one-volume edition of the *New Collegeville Bible Commentary: New Testament* allows readers to explore any or all of the books with just one resource alongside their Bibles. Readers will be able to engage Scripture more deeply and reflect on its meanings, nuances, and imperatives for living a Christian life in the twenty-first century. This set includes the entire collection of the MacArthur New Testament Commentary series: Matthew 1-7, Matthew 8-15, Matthew 16-23, Matthew 24-28, Luke 1-5, Luke 6-10, Luke 11-17, Luke 18-24, John 1-11, John 12-21, Acts 1-12, Acts 13-28, Romans 1-8, Romans 9-16, 1 Corinthians, 2 Corinthians, Galatians, Ephesians, Philippians, Colossians & Philemon, 1 & 2 Thessalonians, 1 Timothy, 2 Timothy, Titus, Hebrews, James, 1 Peter, 2 Peter & Jude, 1-3 John, Revelation 1-11, and Revelation 12-22. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. These commentaries from respected Bible scholar and preacher John MacArthur give a verse-by-verse analysis in context and provide points of application for passages, illuminating the biblical text in practical and relevant ways. The gospel of Matthew is not just the story of Christ's ministry on earth, "€," it's also a wellspring of instruction on day-to-day Christian living. Showing how the new covenant fulfills old covenant promises and how the law of Moses applies today, Matthew writes to make disciples, forming the minds, hearts, and hands of believers. Designed for groups and individuals, this Reformed Expository Bible Study gives users the resources they need to delve into God's Word and understand and apply it for themselves, leading to biblical transformation. Background information and commentary lay the groundwork before readers observe and analyze the Scripture text. Each of the twenty-six lessons makes connections to the rest of the Bible and to Reformed theology before concluding with a section for personal application and a prayer prompt. The Gospel of Matthew, said James Montgomery Boice, is "the first of the gospels, the longest, the most Jewish, the most evangelistic, and, in many ways, the most compelling. To some people, now as well as then, Matthew is the most important book ever written." This two-volume expositional commentary on one of the Bible's most powerful books integrates rigorous scholarship and clear communication. Boice not only explains the meaning of the text verse by verse and section by section, he relates the text's concerns to the world in which we live, the life of the church, and the realities of the Christian life. Based on messages preached at Philadelphia's world-renowned Tenth Presbyterian Church, *The Gospel of Matthew* displays Dr. Boice's hallmark blend of thoughtful interpretation and contemporary insight for daily living. It will appeal to a wide range of readers, from serious Bible students to interested laypersons. 'How should this massive work of scholarship be assessed? The three volumes stand as one of the major commentaries on the Gospel of Matthew in which all future interpreters of the Gospel will find a source of fruitful dialogue and helpful ideas. It is a "must have", both in libraries and in footnotes. Davies and Allison are to be thoroughly commended
