A Gentle Reminder May 31 2021 A gentle reminder, for the days you feel light in this world, and for the days in which the sun rises a little slower. A gentle reminder for when your heart is full of hope, and for when you are learning how to heal it. A gentle reminder for when you finally begin to trust in the goodness, and for when you need the kind of words that hug your broken pieces back together. A gentle reminder for when growth hangs heavy in the air, for when you need to tuck your strength into your bones just to make it to tomorrow. A gentle reminder for when you are balancing the messiness, and the beauty, of what it means to be human, when you are teaching yourself that it is okay to be both happy and sad, that you are real, not perfect. A gentle reminder for when you seek the words you needed when you were younger. A gentle reminder for when you need to hear that you deserve to be loved the way you love others. A gentle reminder for when you need to recognize that you are not your past, that you are not your faults. A gentle reminder for when you need to believe in staying soft, in continuing to be the kind of person who cares. A gentle reminder for when you need to believe in loving deeply in a world that sometimes fails to do so. A gentle reminder to keep going. A gentle reminder to hope--
