That commitment, which began approaching its apparent apex by early November, suddenly broadened on the 8th of that month when the President expanded the original defensive objective to entail the liberation of Kuwait. His policy addendum called for doubling the 200,000 men in Southwest Asia to about 400,000, and he gave Iraq a January the 15th, 1991 deadline to quit Kuwait or face massive military force. Overall American policy in this matter could, therefore, be considered roughly three-phased: one, the original defensive deployment of 200,000 strong, August 8-November 8, 1990; two, the reinforcement to attack strength of about 400,000, November 8, 1990, to January 15, 1991; and three, January 16, 1991, to February 27, 1991- war.
