sought gold in it. David Bowie refrigerated it to ward off evil. In the trenches of Ypres soldiers used it as a gas mask, whereas modern-day terrorists add it to home-made explosives. All the Fullers, Tuckers and Walkers in the phonebook owe their names to it, and in 1969 four bags for storing it were left on the surface of the moon. For the Klondike Highway, she worked on the brush-clearing, powder, and drill crews. On the pipeline, she worked in the shop at Chandalar, Beams and Anchors, detonating, culvert and insulation, and Butt List crews. Only the toughest women can work in this world, she discovered, but the pay was worth it. In his stunningly honest and poignant memoir, Frank Spinelli recounts a childhood marked by trauma and of finding the courage that ultimately transformed his life. . . Frank Spinelli grew up on Staten Island in the 1970s to Italian-born parents who viewed cops and priests as second only to the Pope in infallibility. His mother, concerned that her son was being bullied at school for being "different," signed Frank up for Boy Scouts when he turned eleven. For the next two years, Frank's life had two realities—one lived in full view of his family, and the other a secret he shared with his Scoutmaster that he couldn't confess to anybody. Eventually Frank went to college, established a thriving medical practice, and found a home in Manhattan. But the emotional and physical effects of his past continued to shadow every aspect of his life. Then a shocking discovery gave Frank the opportunity to overturn thirty years of confusion and self-blame—for himself, and for other boys like him. *Pee-Shy* is a remarkable story of overcoming the unimaginable to choose resilience over darkness, and love over loss. "A devastatingly heartbreaking look at life after childhood abuse, with wit and piercing insight that can only come from a place of brutal honesty." —Josh Kilmer-Purcell "This is a memoir about a grown-up boy's generous—and

healing—heart."—Kevin Sessums "This is one of those horrific, true stories that Dr. Spinelli so courageously reveals. With raw honesty he makes us understand that monsters do exist and a child's innocence is precious. His story is one of too many, but maybe, this one will help open our eyes a little more and shine a light on a taboo subject that many chose not to see or believe."

The cozy comedy of Joe Pera meets the darkly playful illustrations of Joe Bennett in *A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape*, a funny, warm, and sincere guide to regaining calm and confidence when you're hiding in the bathroom. "Nothing says 'class' to your dinner guests more than a Joe Pera book next to the can." —Seth Meyers Joe Pera goes to the bathroom a lot. And his friend, Joe Bennett, does too. They both have small bladders but more often it's just to get a moment of quiet, a break from work, or because it's the only way they know how to politely end conversations. So they created a functional meditative guide to help people who suffer from social anxiety and deal with it in this very particular way. Although, it's a comedic book, the goal is to help these readers: 1. Relax 2. Recharge 3. Rejoin the world outside of the bathroom It's also fun entertainment for people simply hiding in the bathroom to avoid doing work. *A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape* will be waiting in the bathroom like a beacon for anxious readers looking to feel calm, confident, and less alone. FACE="MS Sans Serif" SIZE="1" ;n we get some reality in here??sks Judy Sheindlin, former supervising judge for Manhattan Family Court. For twenty-four years she has laid down the law as she understands it: ? If you want to eat, you have to work. ? If you have children, you'd better support them. If you break the law, you have to pay. If you tap the public purse, you'd

better be accountable. Now she abandons all judicial restraint in a scathing critique of the system – filled with realistic hard-nosed alternatives to our bloated welfare bureaucracy and our soft-on-crime laws. From the screenwriter behind family favorites like *Despicable Me* and Dr. Seuss' *The Lorax* comes a hilarious, rhyming picture book romp about knowing when to GO Clayton Parker can't wait for his field trip to the zoo. When his teacher encourages the class to go before they go . . . Clayton rushes onto the bus and doesn't give it a second thought. Little does he know . . . Clayton Parker really really REALLY has to pee. He discovers this as soon as he gets to the zoo. And he panics! Clayton needs a bathroom, and he needs one now! The first one he finds is broken. The next one isn't much of a bathroom at all. What will Clayton do? A cautionary tale for the procrastinator in us all, this hilarious picture book romp will have readers vowing alongside Clayton Parker: "Before I go out anywhere, I'll always try to pee." From the outrageously filthy and oddly innocent comedienne and star of the powerful 2015 film *I Smile Back* Sarah Silverman comes a memoir—her first book—that is at once shockingly personal, surprisingly poignant, and still pee-in-your-pants funny. In this collection of humorous essays, Sarah Silverman tells tales of growing up Jewish in New Hampshire, losing her virginity, learning to curse at 3 years old, and being a bedwetter until she was old enough to drive, and in a surprisingly poignant piece, she recounts the accidental death of her infant brother. Of course, in her loopy, taboo-breaking way, she always manages somehow to leave you laughing. But then you'd expect nothing less from a woman who sang to her boyfriend on national television that she was "F***ing Matt

Damon.” If you like Sarah’s television show *The Sarah Silverman Program*, or memoirs such as Chelsea Handler’s *Are You There Vodka? It’s Me Chelsea* and Artie Lange’s *Too Fat to Fish*, you’ll love *The Bedwetter*. "Making potty training a game instead of a chore, this time for girls!"-- Prince Freddie is off to save a castle from a ferocious fire-breathing dragon when he realizes that he "really" needs to pee.
