*The Joy of the Gospel* Jul 02 2021 The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of

Catholicism: A Journey to the Heart of the Faith and James  
Martin, SJ, author of Jesus: A Pilgrimage

**31 Days Faith Proclamations for a Life of Divine Favours**

Dec 07 2021 Favour is what we all need. Favour is what makes people go out of their way to help you, support you and do what ordinarily they wouldn't do for anybody else. Favour is what distinguishes a man no matter how dull or brilliant he may be. Favour is what gives us the divine enablement to climb the ladder of success and achieve greatness. We need favour in our daily lives, business transactions and whatever it is that we do for a living. Favour is the ingredient of life - the life source of ever increasing success and prosperity. A man may be very talented and brilliant but without favour he will never make a mark in life. A man may know many people but if none of them chooses to favour him then his connection with them is useless. Favour makes the difference. If God and man do not favour you it means your capacity to rise above your current level will either be a lifetime struggle or an outright impossibility. Favour is the power that creates opportunities for you; it also gives you the power to see and recognize those opportunities as they come your way. It doesn't stop there; favour also empowers you to take a hold of those opportunities and maximize them to your greatest advantage. This is how businesses are born, dreams are achieved and life becomes fulfilling and very rich. Favour always brings the provision for every mission. Some individuals blame others around them for not supporting them in the pursuit of their dreams. The sober reality is that most dreams go unfulfilled because of a lack

of favour with God and man. Where favor is increasing, we witness the power of exponential increase in prosperity, success and in all that we do. Once you gain favour; keeping, sharing, maintaining and improving upon what you have acquired are what defines true success and this is how the battle against failure is won. Favour gained, favour maintained and favour improved upon is enduring and never diminishes. This is the way failure is turned into a good, fulfilling and enduring success. Just one connection with divine favour can change a life-time of failure, struggles and poverty that leads nowhere. No matter how deep a man is in poverty, failure, and depravity, he can come out of it today by desiring the favours of God that is dynamic in its workings, to be made manifest and working effectively in his life. One way to maintain, increase and manifest the favour of God upon your life is to daily make Word of God Based Confessions about the operations of the favour of God upon your life. God is the source of all favours and once you make it a habit to always confess His word about the operations of His favour in your life, you would experience increasing manifestation and operation of divine favour in your life. To help you live a life where the divine favour of God is manifested in your life on a daily basis, I have written this book. It contains 31 Days of solid, power-packed - result producing Word of God Based Confessions

Risking Proclamation, Respecting Difference Nov 18 2022 This important book poses the question of whether Christian proclamation can be made ethically safe for the Jewish neighbour. Boesel assesses two major approaches to a Christian theology of Judaism - those exemplified by Rosemary Radford Ruether and Karl Barth. This book makes a significant contribution to our

understanding of systematics, ethics, and homiletics at the intersection of Jewish-Christian relations.

The Proclamation of Jesus Feb 26 2021 The Proclamation of  
Jesus Meditations on Jesus and His Message according to  
Matthew, Mark, Luke, and John The Proclamation of Jesus is a  
book of short meditations, covering the entire contents of the  
Gospel according to Matthew, Mark, Luke, and John in the New  
Testament. Just as a picture puzzle can not be appreciated, until all  
the pieces are put together, so also we can not begin to know the  
glory of Jesus. until we become acquainted with the whole  
testimony of the four gospel writers. The meditations in The  
Proclamation of Jesus guide us to discover and reflect on the life,  
death and resurrection of Jesus. As we read these meditations and  
the verses of the Bible on which each is based, we will begin to see  
who Jesus truly is and what He has done for us. We will be  
encouraged to read the Bible faithfully and to grow spiritually.

**Does Your Tongue Need Healing?** May 12 2022 Death and life  
are in the power of the tongue. Every Christian knows it is  
imperative to keep the tongue under control but, sooner or later,  
finds he cannot do so himself. Derek Prince provides clear,  
biblical steps to discipline the tongue so your words will be spoken  
for God's glory and your blessing!

**Proclamation and Theology** Dec 27 2020 This first volume in  
the Abingdon Press series Horizons in Theology addresses the  
major concerns and questions for preaching as it intersects with

theology. William H. Willimon, recognized as one of today's master interpreters of the theology and practice of preaching, explains why, in the words of the Second Helvetic Confession, "The preaching of the word of God is the Word of God." Drawing from classical theology and practical experience, he provides a cogent, powerful explanation of what it means to live the preaching life.

*Living Faith* Sep 04 2021 Evangelist Elveria Lloyd-Webb, through thorough research of the Word of God and with great passion of soul and Spirit, has compiled a great number of biblical references on faith to encourage every reader of the importance, as well as, the assurance of faith in the life of the believer in keeping true with the scripture that faith cometh by hearing and hearing by the Word of God, as well as the scripture that says without faith, it is impossible to please God, for he who comes to God must first believe that He is and that He is a rewarder to those who diligently seek Him. Jesus is the Author and Finisher of our faith. He is the conclusion, the sum total of all our faith. Thanks to Evangelist Lloyd-Webb for all her passionate proclamations of faith. Due to her love for Jesus, her love for the body of Christ, and her love for the Word, she has succeeded in taking us into the realm of living faith.

Our Presidents & Their Prayers Feb 21 2023 What is the single most important common thread that unites all American Presidents - such a small number of extraordinary people from different centuries, parties, backgrounds and experiences - as they shoulder the overwhelming responsibilities of the office of President of the United States? There is only one possible answer: their faith. As a respected national leader and a man of deep faith

himself, Senator Rand Paul has written **OUR PRESIDENTS & THEIR PRAYERS** in collaboration with James Randall Robison to remind us all that in a country founded by religious people, that abiding and rock-solid belief in God has been the key to each and every president's strength. Senator Paul's inspiring look into the heart-felt sentiments and personal prayers of leaders past and present becomes a powerful testament to our incredible accomplishments: winning the Revolution, writing the Constitution, and leading the world as the most exceptional and longest-lasting democracy in history. It's nothing short of a miracle, then and now. Every man who has answered the people's call to become President has looked for and found answers in his faith as he faced the nation's problems, and each president has frequently described his reliance on the Creator in his public speeches, official proclamations and private prayers. Join Senator Paul in applauding the important role faith has played in our country through over 225 years of triumphs and struggles, justice and injustice, accomplishments and setbacks, war and peace. In **OUR PRESIDENTS & THEIR PRAYERS**, Senator Paul stands up to the doubters in this most timely and important affirmation of how faith and prayer have always guided us, and why they must continue to do so as we face major decisions for the future of our country.

**Faith and Order's Proclamation of the Lordship of Jesus Christ** Feb 09 2022

**Defending the Family Defending the Faith an Analysis of the Family** Mar 18 2020 In this article, we apply Peter Berger's theory of religion as a social construct to learn how The Church of Jesus

Christ of Latter-day Saints (the Mormon Church) advances a heteronormative view of family relationships in the United States using a document titled *The Family: A Proclamation to the World*. Furthermore, applying cultural studies theory, we examine how believing Mormons negotiate the tension that arises when their secular values compete with those expressed by Church leaders. We argue that, although the Proclamation addresses a number of issues, the Church offers a closed text that emphasizes war narratives in which same-sex marriage is portrayed as a threat to LDS identity and the heteronormative family. This closed text is further legitimized by emphasis on the authority of Church leaders as oracles of God. The study participants largely accept the dominant narrative, and those who reject it, do so with some trepidation.

**Christ Our Salvation** Jan 28 2021 The church's vocation is to treasure the gospel and live it out. The late theologian John Webster believed Christian preachers and theologians should be principally concerned with the proclamation of this news. At the center of that proclamation is our salvation in Christ. In this compilation of homilies, John Webster explores the various contours of the salvation accomplished for us in Christ and displays for preachers a model of theological exegesis that understands that the gospel is the heart of holy Scripture. Readers of *Christ Our Salvation* will be presented with a feast of "theological" theology for Christian proclamation.

Prayers & Presidents - Inspiring Faith from Leaders of the Past Sep 23 2020 From George Washington's orders for troops to attend divine services to Abraham Lincoln's annual day of thanksgiving to Harry S. Truman's annual day of prayer, America's leaders of the past have a tradition of faith, especially in times of crises.

**Faith Proclamations** Jan 20 2023 If you have ever believed in the application of God's Word to change a situation, this is the book for you. When we proclaim the Word of God in faith, it produces what it talks about. In the beginning was the Word and the Word was with God, and the Word was God, and the Word came to the world in the likeness of men and dwelled among them. Till this day, the Word still stays with us in the Holy Spirit. The Word is a person, and it lives in us. As we get to know the Word, we are transformed into the picture of the Word. God's Word is alive; God's Word is our life. In "Faith Proclamations: Confessions for healing, breakthrough, deliverance, and protection in God," Samuel O. Wilson takes a deep research into the Word and turns it to a therapy for healing, blessings, deliverance, and protection through God. God's Word remains the best material needed for our healing, blessings, deliverance, and protection. Remember, victory through God is a victory indeed. The person of the Word manifests for what we call Him for when such are done in faith.

The scripture in Acts 19:20 says that "So mightily the Word grew and it prevailed." As you take the Word and make it a part of you, it'll definitely prevail over all elements posing as a limitation to your health, breakthrough, freedom, and protection. The Words used in this book are not those of the author, but God's Word presented in a totally simplified manner to make it easy for you to assimilate into your spirit. It is specially written for your growth in God. The author of this book sincerely believes that your faith in God and your entire spiritual life would be lifted as you make these proclamations a daily consumable for your spirit. Speak the Word; saturate your spirit with the Word and give no room for the devil to manifest in your life because the Word dispels everything that is not consistent with God and His Word. You'll learn from this book: (1) How to declare the Word for your situation. (2) The right Word of God to use for your situation. (3) How to build your faith in God with the Word. (4) How to dispel your fears and face any situation with boldness. (5) How to create healing for your body. (6) How to deliver yourself from demonic influences. (7) How to protect yourself in God. (8) How to create riches in God. (9) How to drive God's Word into your spirit. And lots more...

*New Proclamation Commentary on Feasts, Holy Days, and Other Celebrations* Dec 15 2019 *New Proclamation Commentary on Feasts, Holy Days, and Other Celebrations* continues the tradition of excellent biblical commentary that users of the seasonal *New Proclamation* volumes have come to expect. This volume offers essential historical background about each of thirty-five so-called lesser feasts and places each day into the context of the church year. Quotes related to the festival day from prayers, liturgies, and other sources have been included to help enliven the sermon and

enhance worship, along with other guidance for preaching. Commentary and recommended texts for ten national days and nonliturgical celebrations are also included.

*Tuning My Heart* May 20 2020 Even in a society as highly mobile as our own has become, change is unsettling, discomfiting. Like our ancestors in faith, we are more often than not on the journey, in the wilderness, seeking to know who we are as a people, and trying to comprehend the God who, we hope, is going up with us--wherever it is we end up going. The paths are not as familiar as they once were, and recognizable signposts are rare. It's easy to feel lost. The congregation I have now served in Miami, Florida, for nearly twenty years has, while remaining constant in size, changed faces, accents, and styles at a dizzying pace. People don't stay put anymore, and the folk who find their way to church these days are hungry for a home, longing for community, and hoping the God of their long-vanished, Sunday-school childhoods can find the way to their latest change of address. For this pastor and her congregation, the rooting of our common life and shared faith story in the fertile soil and the organic rhythms of the liturgical year has provided a permanent address that feels like home.

*Tuning My Heart* is a collection of articles, sermons, and poetry based upon the movements of the liturgical calendar and shaped by one tropical congregation's life cycle as it seeks to bloom in the old, rich soil of the Christian tradition, and to flower in the exotically scented air of the vibrant, diverse city that is home.

**The Proclamation of the Prophets** Jan 08 2022 This book is a series of sermons summarizing the books of prophecy in the Old Testament. I intend these sermons to be studied, preached, or used

as Bible lessons or for simple reference. The books of prophecy express God's heart for His people, the Jews, and He chose them to be the primary vehicle of His message to mankind, as the initial means of fulfilling God's mission of redemption and His kingdom being established on earth. However, after repeated attempts to call His people back to that mission, God decided not to speak for four hundred years until John the Baptist showed up in Judea. The proclamation of the prophets is also a promise of victory for the people of God. The cry of God, in the words of Malachi, "Return to me and I will return to you," expresses God's commitment and unrelenting love for His people. This proclamation is not based on replacement theology, which assumes that the church has replaced the Jews. But instead on God's promise to restore His people. I hope you enjoy and are blessed with this work. Use it as a beginning point in your study and research. And in the end, may God be glorified and may you be enlightened.

**Fight To Win With Prayer And Proclamations** Oct 17 2022 The purpose of this book is to establish the unmitigated power of the spoken word of God to affect and change the physical world. Our

world was created by words and responds to words. The word of God, spoken in faith, is the most powerful weapon known to man. This book empowers you to boldly take hold of the word of God, mix it with faith in your heart, and launch it forth to achieve the plans and purposes of God for your life and family. The proclamations in this book have been scripturally composed and specifically adapted to confront the tough situations in your life and compel them to change. As you speak forth these proclamations in faith, you will change the atmosphere, execute a shift and reconstruct your outcomes to victory. *Fight To Win With Prayer And Proclamations* will position you to win in the battles of life.

*The Divine Voice* Jun 01 2021 "Webb offers a carefully and creatively wrought phenomenology of sound, showing its relation to the proclamation of God's Word. His keen insights on the primordial nature of sound, speech, and hearing will force theologians to examine, once again, what it means to be a 'hearer of the Word.' Webb masterfully displays the intrinsic relationship between dynamic listening and speech--how intent hearing and

confident proclamation are intimately conjoined. He has the rare gift of combining acute theological insight with a mellifluous, readable style. The nature of God's own Word here becomes clearer: vibrant and tensile, life-giving in tone and texture. Whether examining Jesus as the voice of the Father, the role of voice in innertrinitarian relations, or the relationship between voice and gender, Webb offers the kind of thought-provoking and highly creative reflections rarely found elsewhere. He has a creative and incisive theological mind." --Thomas Guarino, Seton Hall University "Being appreciative of Webb's earlier work on hyperbolic language in theology and preaching, I welcomed *The Divine Voice*. How risky to toss a spoken word into a room of silent readers and expect it to be heard! I was reprimanded, instructed, and moved by the sound of this book. Were I still in the seminary classroom, *The Divine Voice* would be required reading before one word was said about how to preach." --Fred B. Craddock, The Craddock Center "The *Divine Voice* is a book of academic theology worthy of the Psalmist who sang 'Day after day the word goes forth, night after night the story is told. Soundless the speech, voiceless the talk, yet the story is echoed throughout the world' (Ps 19:2-3). Stephen Webb is an 'acoustemological' theologian, for whom speech can be prayerful as silence, and silence as instructive as proclamation. When the sounds heard by faith reach Webb's ever-insightful and creative mind, only synesthesia could result, and the result is a gift for us all." --Peter Ochs, University of Virginia
