Shakespeare in a Divided America Jun 19 2020 One of the New York Times Ten Best Books of the Year • A National Book Critics Circle Award Finalist • A New York Times Notable Book A timely exploration of what Shakespeare's plays reveal about our divided land. "In this sprightly and enthralling book . . . Shapiro amply demonstrates [that] for Americans the politics of Shakespeare are not confined to the public realm, but have enormous relevance in the sphere of private life." —The Guardian (London) The plays of William Shakespeare are rare common ground in the United States. For well over two centuries, Americans of all stripes—presidents and activists, soldiers and writers, conservatives and liberals alike—have turned to Shakespeare's works to explore the nation's fault lines. In a narrative arching from Revolutionary times to the present day, leading scholar James Shapiro traces the unparalleled role of Shakespeare's four-hundred-year-old tragedies and comedies in illuminating the many concerns on which American identity has turned. From Abraham Lincoln's and his assassin, John Wilkes Booth's, competing Shakespeare obsessions to the 2017 controversy over the staging of Julius Caesar in Central Park, in which a Trump-like leader is assassinated, Shakespeare in a Divided America reveals how no writer has been more embraced, more weaponized, or has shed more light on the hot-button issues in our history.

Alphabet of Manliness (revised and updated) Feb 20 2023 The hilarious New York Times–bestselling parody guide to all things alpha male, now revised and updated. Sometimes in life you say certain words in conjunction with other words that you normally wouldn't, such as the word "holy" and the word "shit." Those times are rare and celebrated. Well, get your face hole ready, because this is one of those times: introducing The Alphabet of Manliness: Special Edition! If it's a crime to be awesome, then I deserve three life sentences and the death penalty. This literary kick to the dick may very well be the greatest compilation of all things manly throughout history. I, Maddox, the author, personally guarantee that this is the best edition of the book since the last one. This book is only for the saltiest, hairiest, most rugged sons of bitches out there. However, it would be selfish to keep it for myself, so feel free to pick up a copy. This humble tome of wisdom is a tribute to all men who toil away at work every day, getting their balls busted or busting balls alike. If you can't handle the punch to the colon I'm about to deliver to you, look on the bright side: you'll save a fortune on Halloween when kids come to your door to pick apart your candy ass. On the other hand, if you feel comfortable with the risk of having your ass neatly packaged and handed to you with all the

trimmings, cut the foreplay and crack the book open already. The new edition includes: •“The Numbers of Manliness” •A full-color insert •Corrections to typos!

To Kill a Mockingbird Dec 26 2020 Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Gustav Gloom and the People Taker Apr 17 2020 Fernie What, an adventurous young horror fan, moves into the house across the street from the dark mansion of a mysterious boy whose residence is haunted by evil shadows.

Ella Minnow Pea Jun 12 2022 An epistolary novel set on a fictional island off the South Carolina coastline, 'Ella Minnow Pea' brings readers to the hometown of Nevin Nollop, inventor of the pangram 'The Quick Brown Fox Jumps Over the Lazy Dog'. Deified for his achievement in life, Nevin has been honored in death with a monument featuring his famous phrase. One day, however, the letter 'Z' falls from the monument, and some of the islanders interpret the missing tile as a message from beyond the grave. The letter 'Z' is banned from use. On an island where the residents pride them-selves on their love of language, this is seen as a tragedy. They are still reeling from the shock when another tile falls. And then another... In his charming debut, first published in 2001, Mark Dunn took readers on a journey through the eyes of Ella Minnow Pea, a young woman forced to create another clever turn of phrase in order to save the islanders' beloved language.

The Higher Man Mar 17 2020 It should be first and foremost noted that the following text is intended to constitute an adaptable philosophy as opposed to a literal religion. And it is, of course, extraordinarily important to consciously distinguish the difference--religion being the active pursuit of either higher knowledge or power by metaphysical means; philosophies the attempt to assimilate and appropriate the meaning of all action (more specifically, an attempt to assign plausible, if not theoretical, cause to effect in an effort to compose an appropriately aggregated antiquity of applicable experiences and subsequent summations thereof).While the general themes of this text allude to principles of balance, it should also be prevalingly noted that this is in no way a respective reference to traditional nor contemporary concepts. The balance that this book suggests is more an active, kinetic, and dichotomic process than it is an effort to remain stabilized between, or among, two (2) mediums.The distinguishable differences being thus: that pendulums know no pause, and a clock atrophied keeps poor time. Moreover, that the pervasive point of the latter, therein, is to provoke as opposed to placate.For you are not a vessel! You are neither conductor nor conduit, but rather the music of life itself--riddled both with the individualistic propensities of character and creativity.Be ye modes of merriment, if thou willest.Statera per divisionem. In lunctus incongruentia..VIIIV.

Men Are Better Than Women Sep 15 2022 Through a process of exhaustive man research he calls "keeping his eyes open," Dick Masterson has compiled a Magnum-size list of the ways men are better than women. It is an infallible compendium of man's greatness, filled with the most egregiously fallacious arguments ever put to words, but with some kind of miraculous, rock-solid man logic dripping like motor oil from every sentence. It is a manifesto more memorable than bullshit like High Fidelity or which Axe baby powder Maxim thinks you should slap on your nuts before clubbing, more chock-full of devastating man quotes than Oscar Wilde with two wangs. Most important, it is the only one of its kind. In *Men Are Better Than Women*, Dick Masterson dispenses logic from his man mouth into the eyes of his male readers like some kind of mighty mother man eagle with nutrient-rich word vomit. It's a book that makes you feel like driving a train into a

dynamite factory and then tearing a telephone book apart with your bare hands, just because that's the way men have always done it. Masterson's chapters are simple and self-contained, demand no commitments from readers, and have an immediate payoff. *Men Are Better Than Women* is a dangerous work of satire -- not dangerous in a revolutionary sense, but dangerous in that it walks the razor-thin line between cruelty and absurdity. That line is called hilarious.

The Philosophy Book Dec 14 2019 What existed before the Universe was created? Where does self-worth come from? Do the ends always justify the means? The Philosophy Book answers the most profound questions we all have. It is your visual guide to the fundamental nature of existence, society, and how we think. Discover what it means to be free, whether science can predict the future, or how language shapes our thoughts. Learn about the world's greatest philosophers, from Plato and Confucius to modern thinkers such as Chomsky and Derrida and follow charts and timelines that graphically show the progression of ideas and logic. Written in plain English, with concise explanations of branches of philosophy such as metaphysics and ethics, it untangles complicated theories and makes sense of abstract concepts. It is an ideal reference whether you're a student or a general reader, with simple explanations of big ideas, including the four noble truths, the soul, class struggle, moral purpose, and good and evil. If you're curious about the deeper questions in life, The Philosophy Book is both an invaluable reference and illuminating read.

A Dragon Walks Into a Bar Sep 03 2021 This hilarious collection of over 300 puns, one-liners, and classic jokes dedicated to the fun of RPGs is perfect for you share with your fellow gaming compatriots! Why don't dragons like to eat paladins? They taste lawful. Laugh out loud at over 300 zingy one-liners and eye-rolling puns with this collection of tabletop-based humor, dedicated to the fun of RPGs like *Dungeons and Dragons*, *Pathfinder*, and more! *A Dragon Walks into a Bar* gives you hours of funny content that will keep you smiling. Whether you use them as inspiration for your level 20 comedian bard to crack wise during battle or if you just want a giggle in between turns, this book has everything you've been looking for.

Brown-Eyed Girl Jul 01 2021 Wedding planner Avery Crosslin may be a rising star in Houston society, but she doesn't believe in love-- at least not for herself. When she meets wealthy bachelor Joe Travis and mistakes him for a wedding photographer, she has no intention of letting him sweep her off her feet. After a one night stand, Avery is determined to keep it from happening again. When she's hired to plan the wedding of the year complications start piling up fast, and soon Avery is putting her career on the line and risking everything.

[The Greek Qabalah](#) Jul 21 2020 This book will be of interest to a wide range of readers, from students of Ancient History and early Christianity, to Qabalists and modern magicians. Extensive notes and citations from original sources will make this authoritative work an essential reference for researchers and practitioners for years to come. Includes are appendices for tables of alphabetic symbolism, a list of authors, and a numeric dictionary of Greek words, which represents the largest collection of gematria in print.

To Be a Man Mar 09 2022 I've got it all—a great job, relationship, and lifestyle—so why do I feel so dissatisfied and disconnected? Why am I not happier in my intimate relationships? How do I become more powerful—without becoming that jerk everyone dislikes? Robert Augustus Masters has helped thousands of men address and work through such issues. What he's found is that the common solution to these dilemmas is challenging yet clear: we must face our unresolved wounds, shame, and whatever else is holding us back, bringing “our head, heart, and guts into full-blooded alignment.” With *To Be a Man*, this acclaimed psychotherapist and relationship expert offers a groundbreaking and deeply insightful guide to masculine power and fulfillment. *To Be a Man* clarifies what's needed to enter a manhood as strongly empowered as it's vulnerable, as emotionally literate as it's unapologetically alive—a manhood at home with truly intimate relationship. In this book, readers will explore:

- How your past may be dominating your present
- Shame in its healthy and unhealthy forms, and how to make wise use of it
- How vulnerability can be a source of strength
- Emotional literacy—an essential skill for relational well-being
- Releasing sex from the obligation to make you feel better
- How to disempower your inner critic
- Bringing your shadow (whatever

you've disowned in yourself) out of the dark • Embodying your natural heroism and persisting regardless of fear • What women need from men • Understanding and outgrowing pornography • Entering the heartland of true masculine power If you've read your share of popular advice on relationships and being a man—but realize on a gut level that it's going to take some serious inner work—here's a great guide to that most rewarding of challenges: doing what's needed to fully embody your authentic manhood.

The ADHD Explosion and Today's Push for Performance Jan 07 2022 Debunks myths and misconceptions about ADHD, and discusses the controversies surrounding skyrocketing rates of diagnosis and medication treatment as well as the condition's cost to society.

Count Down Sep 22 2020 In the tradition of *Silent Spring* and *The Sixth Extinction*, an urgent, meticulously researched, and groundbreaking book about the ways in which chemicals in the modern environment are changing—and endangering—human sexuality and fertility on the grandest scale, from renowned epidemiologist Shanna Swan. In 2017, author Shanna Swan and her team of researchers completed a major study. They found that over the past four decades, sperm levels among men in Western countries have dropped by more than 50 percent. They came to this conclusion after examining 185 studies involving close to 45,000 healthy men. The result sent shockwaves around the globe—but the story didn't end there. It turns out our sexual development is changing in broader ways, for both men and women and even other species, and that the modern world is on pace to become an infertile one. How and why could this happen? What is hijacking our fertility and our health? *Count Down* unpacks these questions, revealing what Swan and other researchers have learned about how both lifestyle and chemical exposures are affecting our fertility, sexual development—potentially including the increase in gender fluidity—and general health as a species. Engagingly explaining the science and repercussions of these worldwide threats and providing simple and practical guidelines for effectively avoiding chemical goods (from water bottles to shaving cream) both as individuals and societies, *Count Down* is at once an urgent wake-up call, an illuminating read, and a vital tool for the protection of our future.

The Gentry Man Mar 29 2021 More than fifty years after it ceased publication, *Gentry* magazine is still one of the most influential men's magazines ever created. Published between 1951 and 1957, this veritable style and culture bible for men is renowned for its innovation, superb design and production quality, keen eye for fashion, and excellent coverage of a broad spectrum of topics—art and culture; sports; food and drink; home, cars, and travel—not to mention diverse subjects on which every refined man should be well versed, from making a mean martini to playing craps. *The Gentry Man* brings together for the first time a collection of articles selected from the magazine's twenty-two issues by Hal Rubenstein, former men's style editor of the *New York Times Magazine* and current fashion director of *InStyle*. In print once again, *The Gentry Man* is a collectible volume that belongs in every man's library.

Assholes Finish First Feb 14 2020 Presents a new collection of alcohol-induced "fratire" adventures in hedonism that convey the author's experiences of being intoxicated at inappropriate times, seducing a large number of women, and otherwise living in complete disregard of social norms.

[Pushing to the Front](#) May 19 2020

Every Boy's Book, a Complete Encyclopaedia of Sports and Amusements Nov 12 2019

The Crusades of Cesar Chavez Nov 05 2021 A searching portrait of an iconic figure long shrouded in myth by a Pulitzer Prize-winning journalist and author of an acclaimed history of Chavez's movement.

[The Philosophy of Beards](#) Aug 14 2022 DigiCat Publishing presents to you this special edition of "The Philosophy of Beards" (A Lecture Physiological, Artistic & Historical) by Thomas S. Gowing. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Don't Make Me Pull Over! Aug 02 2021 "A lighthearted, entertaining trip down Memory Lane" (Kirkus Reviews), *Don't Make Me Pull Over!* offers a nostalgic look at the golden age of family road trips—before portable DVD players, smartphones, and Google Maps. The birth of America's first interstate highways in the 1950s hit the gas pedal on the road trip phenomenon and families were soon streaming—sans seatbelts!—to a range of sometimes stirring, sometimes wacky locations. In the days before cheap air travel, families didn't so much take vacations as survive them. Between home and destination lay thousands of miles and dozens of annoyances, and with his family Richard Ratay experienced all of them—from being crowded into the backseat with noogie-happy older brothers, to picking out a souvenir only to find that a better one might have been had at the next attraction, to dealing with a dad who didn't believe in bathroom breaks. Now, decades later, Ratay offers "an amiable guide...fun and informative" (New York Newsday) that "goes down like a cold lemonade on a hot summer's day" (The Wall Street Journal). In hundreds of amusing ways, he reminds us of what once made the Great American Family Road Trip so great, including twenty-foot "land yachts," oasis-like Holiday Inn "Holidomes," "Smokey"-spotting Fuzzbusters, twenty-eight glorious flavors of Howard Johnson's ice cream, and the thrill of finding a "good buddy" on the CB radio. An "informative, often hilarious family narrative [that] perfectly captures the love-hate relationship many have with road trips" (Publishers Weekly), *Don't Make Me Pull Over!* reveals how the family road trip came to be, how its evolution mirrored the country's, and why those magical journeys that once brought families together—for better and worse—have largely disappeared.

The National Sports of Great Britain Apr 10 2022

The Art of Manliness Nov 24 2020 Man up and discover the practical and inspirational information all men should know! While it's definitely more than just monster trucks, grilling, and six-pack abs, true manliness is hard to define. The words macho and manly are not synonymous. Taking lessons from classic gentlemen such as Benjamin Franklin and Theodore Roosevelt, authors Brett and Kate McKay have created a collection of the most useful advice every man needs to know to live life to its full potential. This book contains a wealth of information that ranges from survival skills to social skills to advice on how to improve your character. Whether you are braving the wilds with your friends, courting your girlfriend, or raising a family, inside you'll find practical information and inspiration for every area of life. You'll learn the basics all modern men should know, including how to: -Shave like your grandpa -Be a perfect houseguest -Fight like a gentleman using the art of bartitsu -Help a friend with a problem -Give a man hug -Perform a fireman's carry -Ask for a woman's hand in marriage -Raise resilient kids -Predict the weather like a frontiersman -Start a fire without matches -Give a dynamic speech -Live a well-balanced life So jump in today and gain the skills and knowledge you need to be a real man in the 21st century.

The Black Book Dec 06 2021 A new edition of the classic New York Times bestseller edited by Toni Morrison, offering an encyclopedic look at the black experience in America from 1619 through the 1940s with the original cover restored. "I am so pleased the book is alive again. I still think there is no other work that tells and visualizes a story of such misery with seriousness, humor, grace and triumph."—Toni Morrison Seventeenth-century sketches of Africans as they appeared to marauding European traders. Nineteenth-century slave auction notices. Twentieth-century sheet music for work songs and freedom chants. Photographs of war heroes, regal in uniform. Antebellum reward posters for capturing runaway slaves. An 1856 article titled "A Visit to the Slave Mother Who Killed Her Child." In 1974, Middleton A. Harris and Toni Morrison led a team of gifted, passionate collectors in compiling these images and nearly five hundred others into one sensational narrative of the black experience in America—*The Black Book*. Now in a newly restored hardcover edition, *The Black Book* remains a breathtaking testament to the legendary wisdom, strength, and perseverance of black men and women intent on freedom. Prominent collectors Morris Levitt, Roger Furman, and Ernest Smith joined Harris and Morrison (then a Random House editor, ultimately a two-time Pulitzer Prize-winning Nobel Laureate) to spend months studying, laughing at, and crying over these materials—transcripts from fugitive slaves' trials and proclamations by Frederick Douglass and celebrated abolitionists, as well as chilling images of cross burnings and lynchings, patents

registered by black inventors throughout the early twentieth century, and vibrant posters from "Black Hollywood" films of the 1930s and 1940s. Indeed, it was an article she found while researching this project that provided the inspiration for Morrison's masterpiece, *Beloved*. A labor of love and a vital link to the richness and diversity of African American history and culture, *The Black Book* honors the past, reminding us where our nation has been, and gives flight to our hopes for what is yet to come. Beautifully and faithfully presented and featuring a foreword and original poem by Toni Morrison, *The Black Book* remains a timeless landmark work.

Men, Women & Children May 31 2021 The author of *The Average American Male* and *The Lie* returns with a shocking, salacious, and surprisingly subtle new novel of the average American family. Like Neil Strauss and Nick Hornby, Chad Kultgen has the capacity to enthrall and astonish even the most ardent readers of contemporary literary fiction. In *Men, Women, and Children*, his incisive vision, unerring prose, and red-light-district imagination are at their most ambitious and surprising, as he explores the sexual pressures of junior high school students and their parents navigating the internet's shared landscape of pornography, blogs, social networking, and its promise of opportunities, escapes, reinvented identities, and unexpected conflicts.

Watching the English, Second Edition Jan 27 2021 The international hit returns with even more wit and insight into the hidden rules that make England English.

I Hope They Serve Beer in Hell Oct 16 2022 The "highly entertaining and thoroughly reprehensible" #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

A Gentleman in Moscow Oct 24 2020 The mega-bestseller with more than 2 million readers, soon to be a Showtime/Paramount series starring Ewan McGregor as Count Alexander Rostov From the #1 New York Times-bestselling author of *The Lincoln Highway* and *Rules of Civility*, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.

He, She and It Oct 04 2021 "A triumph of the imagination. Rich, complex, impossible to put down."—Alice Hoffman In the middle of the twenty-first century, life as we know it has changed for all time. Shira Shipman's marriage has broken up, and her young son has been taken from her by the corporation that runs her zone, so she has returned to Tikva, the Jewish free town where she grew up. There, she is welcomed by Malkah, the brilliant grandmother who raised her, and meets an extraordinary man who is not a man at all, but a unique cyborg implanted with intelligence, emotions—and the ability to kill. . . . From the imagination of Marge Piercy comes yet another stunning novel of morality and courage, a bold adventure of women, men, and the world of tomorrow.

The Descent of Man Feb 25 2021 What does it mean to be male in the 21st Century? Award-winning artist Grayson Perry explores what masculinity is: from sex to power, from fashion to career prospects, and what it could become—with illustrations throughout. In this witty and necessary new book, artist Grayson Perry trains his keen eye on the world of men to ask, what sort of man would make the world a better place? What would happen if we rethought the macho, outdated version of manhood, and embraced a different ideal? In the current atmosphere of bullying, intolerance and misogyny, demonstrated in the recent Trump versus Clinton presidential campaign, *The Descent of Man* is a timely and essential addition to current conversations around gender. Apart from gaining vast new wardrobe options, the real benefit might be that a newly fitted masculinity will allow men to have better relationships—and that's happiness, right? Grayson Perry admits he's not immune from the stereotypes himself—yet his thoughts on everything from power to physical appearance, from emotions to a brand new Manifesto for Men, are shot through with honesty, tenderness, and the belief that, for everyone to benefit, updating masculinity has to be something men decide to do themselves. They have nothing to lose but their hang-ups.

Prank the Monkey Jul 13 2022 No-one is safe from super-prankster John Hargrave! Everyone is fair (and hilarious) game, from major corporations to internet spammers; from celebrities to government figures. Action-packed and rammed with laughs, *Prank the Monkey* follows John as he dishes out revenge on the world's biggest and most deserving targets, exposing them for the chumps they really are - and showing readers how to do the same!

101 Two-Letter Words Aug 22 2020 A one-of-a-kind celebration of the 101 two-letter words allowed in Scrabble. Rolling Stone has called singer-songwriter Stephin Merritt of the Magnetic Fields “the Cole Porter of his generation”; *O, The Oprah Magazine* has hailed cartoonist Roz Chast as “the wryest pen since Dorothy Parker’s.” Together they have crafted a wonderfully witty book that is sure to prove useful to Scrabble players and Words With Friends addicts—and to delight anyone in thrall to the weirder corners of the English language. With the mordant wit and clever wordplay of Edward Gorey or Shel Silverstein, Stephin Merritt has written an original four-line rhyming poem for each of the 101 two-letter words included in *The Official Scrabble Players Dictionary*. Here are poems about familiar words (such as at, go, hi, no, and up) as well as obscure ones (such as aa, ka, oe, qi, xu). And every one of the 101 poems is accompanied by a full-color illustration by the incomparable cartoonist Roz Chast. *101 Two-Letter Words* is perfect for any language lover or Scrabble player (it may even improve your score!).

*F*ck Whales* Dec 18 2022 A collection of satirical, crass, comedic essays from famed Internet personality and New York Times bestselling author Maddox, of the infamous website *The Best Page in the Universe*. In this third book from Maddox, the reigning king of Internet satire delivers a collection of humorous, unapologetic essays in the same voice that propelled him into comedic stardom. With all-new material, *F*ck Whales* delivers on his personal brand of satire, complete with self-promotion, petty rants, and brilliant essays on anything and everything Maddox deems worthy of his ire.

Choral Constructions in Greek Culture Apr 29 2021 Why did the Greeks of the archaic and early Classical period join in choruses that sang and danced on public and private occasions? This book offers a wide-ranging exploration of representations of chorality in the poetry, art and material remains of early Greece in order to demonstrate the centrality of the activity in the social, religious and technological practices of individuals and communities. Moving from a consideration of choral archetypes, among them cauldrons, columns, Gorgons, ships and halcyons, the discussion then turns to an investigation of how participation in choral song and dance shaped communal experience and interacted with a variety of disparate spheres that include weaving, cataloguing, temple architecture and inscribing. The study ends with a treatment of the role of choral activity in generating epiphanies and allowing viewers and participants access to realms that typically lie beyond their perception.

The Betty Book Oct 12 2019 One of the best books on the inner dimensions of life ever written. The *Betty Book* chronicles the author's exploration of the psychic worlds through the mediumship of his

wife Betty. (Channeling)

The Average American Male Feb 08 2022 "I can't figure out if this book is a heart-felt dispatch from the front line in the battle of the sexes or a brilliant send-up of the way in which the male point of view has been misrepresented by militant feminists. I suspect it may be both." --Toby Young, New York Times bestselling author of *How to Lose Friends and Alienate People* An offensive, in-your-face, brutally honest and completely hilarious look at male inner life and sexual fantasy. In the course of this hilariously honest book, our narrator suffers through a relationship with his wannabe-actress girlfriend until he finds the perfect girl. But when he moves into the new relationship, he slowly realizes he thinks that all women are pretty much the same, that his true desires will never be fulfilled, and the decision between living life alone or biting the marriage bullet must be made.

Dear Church Jan 15 2020 Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations make all the headlines, but Duncan sees something else at work--drawing a direct line between the church's lack of diversity and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, *Dear Church* offers a bold new vision for the future of Duncan's denomination and the broader mainline Christian community of faith. *Dear Church* rejects the narrative of church decline and calls everyone--leaders and laity alike--to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary path of Jesus.

Alphabet of Manliness. Rev. and Jan 19 2023

Crappy Children's Art Nov 17 2022 The essayist for *TheBestPageInTheUniverse.com* presents an irreverent critique of children's artwork that includes a deconstruction of a crayon-drawn family portrait and a scathing analysis of an insecure camper's letter home.

Secrets of a Stingy Scoundrel May 11 2022 A syndicated film critic shares whimsical advice on how to live in accordance with one's desired standards by understanding the system, revealing such methods as how to get free internet service, avoid paying for condiments, and take advantage of complementary add-on services. Original.
