UFO sightings and abductions by aliens were the beginning, the tip of the iceberg. Dolore Cannon's work in Hypnosis has taken the study beyond abduction. Dolores traces the phenomenon from the simple to the complex. Exploring areas untouched by other investigators, she makes the unbelievable become acceptable and understandable! In 1983, Dolores was working with several individuals who volunteered for sessions to help her hone her craft in hypnosis. Over the years she had developed her own technique of hypnosis where the client would go into a very deep state of trance and was able to re-live the past life they were seeing. When these individuals went back to a time in the past, it would be like they were actually there. If there was something in our time that was not in their time, they wouldn't know what you were talking about. This book is about the past lives of three of these volunteers who went back to the time of the Druids and were giving information about how it was to live during this time and the difficulties that were experienced while trying to live with the faith of Mother Earth. The Inquisition was always lurking around trying to find these special groups that were not of their religion and were trying to force them to reveal information about their beliefs and practices. The Inquisition believed these special groups had powers and too much influence on the regular people. So, come along with us and take the journey into the past. As Dolores would say "They thought they had gotten rid of us with the torcher and burnings; but we're back!" The persistent memory of a horrible death, that reached across time and space, and caused a 22 year old American girl to seek past-life therapy, revealed the dramatic story of a Japanese man who was killed in the atomic bombing of Hiroshima. There have been many stories of pain, death and destruction told by survivors of the Hiroshima bombing. This is the eyewitness account of one who did not survive! This case revealed startling information about the Japanese side of the war. Research into the bombing also revealed terrible truths that the public was not aware of at the time of this dramatic ending of

World War II. This inspiration book of 777 true angel stories explores how angels can transform lives through exercises and visualisations that readers can practice on their own. Stories discuss guardian angels, feathers, signs, rainbows, prayers, numbers and names, unicorns, orbs and much, much more, making this the ultimate angel compendium. In 1945 when the atomic bombs were dropped in WWII, our "protectors" and "watchers" in outer space saw that Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and assist her in her ascension. They couldn't interfere from the "outside", but maybe they could influence from the "inside". So the call went out for volunteers to come and help. "Earth is in trouble - who wants to volunteer?" The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the "Source" and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions. Because all memory is erased upon entry to the Earth dimension, they do not remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world. These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. * Characteristics of the Three Waves of Volunteers * The Difficulties being Experienced by First-Timers * How the Shift is affecting the Physical Body * The Roles of ETs and Light Beings in the Shift * Keepers of the Grid * The Separation of the Old and New Earth * What is the New Earth? * What is the Significance of 2012? Many of us lived previous lives as keepers of sacred knowledge that was taught in the ancient mystery schools. Much of this knowledge was lost through time due to disasters and destruction or death. The knowledge was reserved for a select few who devoted their lives to understanding and teaching it. The Complete Book of Ford Mustang, 4th Edition details the development, technical specifications, and history of America's original pony car, now updated to cover cars through the 2021 model year. Mind, Body, Spirit. Embraced worldwide as key spiritual teachers of our times, the Pleiadians are back, with another bold and controversial look at our highest purpose on Earth. Earth: Pleiadian Keys to the Living Library is their handbook to inspired living, calling on us to restore and return value to the human being, and to recognize the Goddess energies and the power of blood as connections to our DNA and our heritage. Using wit, wisdom, and deep compassion, they entice us to explore the corridors of time through the concept of the Game Masters; to awaken the crucial codes for multidimensional perspective; and to redream the Living Library of Earth. Their teachings are significantly arranged in twelve chapters to trigger a deeper understanding of our ancestral lineage. Earth probes the memories hidden deep within us to reveal our crucial roles in the transformational process unfolding in our times. UFO Sightings and Abductions by aliens were the beginning, the tip of the iceberg. Dolores Cannon's work in hypnosis has taken the study beyond abduction. This accumulation of 12 years of cases includes: * Cases of missing time * Spacecraft from other dimensions and planes of existence * Condensed or distorted time * The differences and functions of various alien races * And much more Dolores traces the phenomenon from the simple to the complex. Exploring areas untouched by other investigators, she makes the unbelievable become acceptable and understandable. This book summarizes THE BEST insights of thirty-seven of the world's most authoritative sources. It provides readers with a vast cross-section of information and perspectives on this initiation into a divinely ordained, new beginning for our world! The authors of this prophetic anthology explain what's happening around us today and what "ascension" is all about. This sequel to The Convolutioned Universe - Book One provides metaphysical information obtained through numerous subjects by hypnotic past-life regression. From the national bestselling and award-winning author of the Vampire Earth saga comes the first in a fantastic new series. A story of lifelong interaction with beings from another world. Book Five in "The Convolutioned Universe" series provides metaphysical information obtained through numerous subjects by hypnotic past-life regression. * Is it possible that you are living in other universes simultaneously with this one? * Do you travel back and forth between other

dimensions without your conscious knowledge? * Could it be possible that you are only a splinter or fragment of a much larger soul? * Do parallel universes exist side-by-side with this one? * Are you living all your past and future lives at the same time? * What is the God Source? These questions and many more are explored in this long-awaited sequel to *The Custodians*. This information proceeded beyond abduction into complicated metaphysics, creating the need to explore more mind-expanding. Through regressive hypnosis a lost legend of the history of mankind has been retrieved from the recesses of time. Did the American Indians descend from the inhabitants of an alien spacecraft that crashed in the Alaska-Canada region thousands of years ago? *Starcrash* indicates that aliens continued to come to Earth, some intentionally and by accident, throughout our history. In order to adjust to harsh conditions they were forced to interbreed with the local aborigines. This was the only way to insure the survival of their race. Does their blood still flow in the veins of certain American Indian tribes? This volume contains 143 quatrains interpreted by the great master Nostradamus himself. Dolores Cannon is a regressionist and psychic researcher who has developed her own unique method of hypnosis that has enabled her to gain the most efficient release of information from her subjects. Since 1979, she has regressed and catalogued information gained from hundreds of volunteers. Discover the wonderful secret the Earth holds for us—that the stars of the galaxy live on our planet. Holograms of high-magnitude stars over holy mountains. Physical travel to other planets through stargates on the Earth's surface. Near instantaneous transportation across the planet through quick-way portals. Outrageous science fiction or sober geomantic fact? *Earth Mysteries* researcher Richard Leviton takes you on a wild tour of three geomantic features of our planet and reveals that what science fiction has dreamed the Earth in fact offers us. *Stars on the Earth* combines scholarship, clairvoyance, and field experience with the latest discoveries of geology and astrophysics and the timeless insights of the world's myths to open the planetary door to the stars. It's all part of the Earth's unsuspected but staggeringly rich endowment as a designer planet. Our planet was precisely designed and implemented for us, and it's equipped with a visionary geography that mirrors features of the galaxy and Heavens. Why are so many of the Earth's mountains said to be holy, producing visions and encounters with the "gods?" They all have canopies of light called domes, each transmitting the presence of a galactic star. What is the geomantic origin of the Bermuda Triangle? Two dysfunctional stargates. If working properly, they and the Earth's other two million stargates could transport us rapidly to other planets. Is there a way to travel quickly across the planet without using cars, airplanes, boats, or trains? Yes, and it's called a traversable wormhole, and the Earth has thousands of them awaiting our discovery and use. Come join the tour of a planet you've never seen before: our own star-infused Earth. **THE BEGINNING** What do you do when you discover information that is before its time? What do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing "normal" to relate to? This is what happened to Dolores Cannon in 1968, long before she began her career as a past-life hypnotherapist and regressionist. Travel back with us to that time when the words "reincarnation, past-lives, regression, walk-ins, New Age" were unknown to the general population. This is the story of two normal people, who accidentally stumbled across past-lives while working with a doctor to help a patient relax. It began so innocently, yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of. It went totally against the belief systems of the time. It was so startling that they should have stopped, but their curiosity demanded that they continue to explore the unorthodox. The experiment changed the participants and everyone involved, and their beliefs would never be the same. Dolores Cannon is now a world-renowned hypnotherapist who has explored thousands of cases in the forty years since 1968, and has written fifteen books about her discoveries. Her books are translated into more than 20 languages. She is teaching her unique form of hypnosis all over the world. When she lectures people ask, "How did you get started on all of this?" This is the story of her beginnings. The book was written in 1980, her very first book. It has laid dormant, gathering dust, until now, waiting. Now is the time for it to come forth. Enjoy the adventure! This is the fifth book in the revolutionary *Convolutioned Universe* series that begun in 2001. One of the most ambitious works of paranormal

investigation of our time, here is an unprecedented compendium of pre-twentieth-century UFO accounts, written with rigor and color by two of today's leading investigators of unexplained phenomena. In the past century, individuals, newspapers, and military agencies have recorded thousands of UFO incidents, giving rise to much speculation about flying saucers, visitors from other planets, and alien abductions. Yet the extraterrestrial phenomenon did not begin in the present era. Far from it. The authors of *Wonders in the Sky* reveal a thread of vividly rendered-and sometimes strikingly similar- reports of mysterious aerial phenomena from antiquity through the modern age. These accounts often share definite physical features- such as the heat felt and described by witnesses-that have not changed much over the centuries. Indeed, such similarities between ancient and modern sightings are the rule rather than the exception. In *Wonders in the Sky*, respected researchers Jacques Vallee and Chris Aubeck examine more than 500 selected reports of sightings from biblical-age antiquity through the year 1879-the point at which the Industrial Revolution deeply changed the nature of human society, and the skies began to open to airplanes, dirigibles, rockets, and other opportunities for misinterpretation represented by military prototypes. Using vivid and engaging case studies, and more than seventy-five illustrations, they reveal that unidentified flying objects have had a major impact not only on popular culture but on our history, on our religion, and on the models of the world humanity has formed from deepest antiquity. Sure to become a classic among UFO enthusiasts and other followers of unexplained phenomena, *Wonders in the Sky* is the most ambitious, broad-reaching, and intelligent analysis ever written on premodern aerial mysteries. Dolores Cannon uses information obtained from regressive hypnosis to formulate a provocative viewpoint on the ancient astronaut theory of human origins. Her findings indicate that the earth was seeded eons ago by travellers from outer space. These visits by ancient extraterrestrials did not end with their intervention in human evolution. They have continued up to the present day resulting in a whole class of contemporary humans who have been subject to alien abduction. The long-awaited, compelling sequel of the best-selling book *The Essenes - Children of the Light*. 1. What is the secret of Mary Magdalene's power? 2. Who were the female disciples of Jeshua? 3. Did Jeshua and Mary Magdalene have a child? 4. How can we understand the New Children now being born? 5. What changes will the New Consciousness bring into our lives? This is the story of the Essenes and the female disciples of Jeshua who were deliberately marginalised and written out of the record. This book focuses on the partnership of Jeshua and Mary Magdalene, and culminates in the work of the Crystal Children who are just now being born. This fascinating story was revealed through the process of past life regression and through the insight of an angelic being called Alariel. This is the "inner history" or our planet as it has never been told before. A narrative to inspire the spirit and warm the heart. Dolores has accumulated information about the Death experience and what lies beyond through 16 years of hypnotic research and past-life therapy. While retrieving past-life experiences, hundreds of subjects reported the same memories when experiencing their death, the spirit realm, and their rebirth. This book also explores: * Guides and guardian angels* Ghosts and poltergeists* Planning your present lifetime and karmic relationships before your birth* The significance of bad lifetimes* Perceptions of God and the Devil* And much more With more than 300,000 copies sold in hardcover, this inspiring account of a woman's personal communication with Mary, the Mother of Jesus, has been a publishing phenomenon. Now available in paperback for the first time, *Mary's Message to the World* reveals predictions of how the Earth will transform in the coming years, plus guidance on coping with such changes. Plant Lore Sequel to Jesus and the Essenes. The past-life memories of two women capture a true and compelling portrait of Jesus the man, from the healing miracles he performed to the gentle philosophy he preached. This is an INSIDER view, direct from Jesus' time, deep in feeling tones and profound in implications, giving a sense of how things truly were. This book includes drawings of the Temple and Old Jerusalem, and includes scenes at the Temple in Jerusalem, visits to homes and leper colonies, political intrigues leading to the crucifixion, and also the personal feelings of those who met him. The realism of this information is astounding. Did an Italian monk, out of a burning love of music, invent a time machine in this century -- a machine that would extend his senses Far back into time? According to Mr. Krassa, Father Alfredo Pellegrino Ernetti, born in 1926 and who died mysteriously in 1996, developed the apparatus over a period of 40 years. Ernetti, a professor of Archaic Music, was obsessed with the notion of finding out what an Old Roman opera, Thyestes, sounded like when played with musical instruments of that period. Driven by his passion, he developed a theoretical basis so brilliant he was able to gather a team of distinguished scientists who would bring life to his time machine, The Chronovisor. An overwhelming mountain of evidence makes Romanek's case the most documented ET experience known. He discusses information that has global and universal significance in this edition. In her 70s, author Joan Bridgeman realized that the vivid dreams she was having were actually memories of encounters with other-dimensional beings. She is among hundreds of thousands of people who have been contacted by intelligences from beyond Earth. This thought-provoking account of her personal experiences with extraterrestrials will fascinate anyone curious about the presence of alien beings. We are children of the stars. This is our legacy and our heritage. In the history of the cosmos, Earth is a young planet. Our souls, on the other hand, have been around forever and will continue to be around forever. Thus Earth is not our only home. We have lived many lives in unusual environments before deciding to journey here and learn the lessons of Earth. After our schooling is completed on this planet, we will journey onward to discover new worlds to explore. The memories of these soul journeys are recorded in our subconscious, and in Legacy from the Stars hypnotherapist Dolores Cannon shows that they can be retrieved through regressive hypnosis. She reports dramatic cases where the subjects relived other lifetimes in strange environments -- inhabitants of other planets. After reading her latest book, you may agree that "we are all extraterrestrials," and Earth is merely a stop-over in our long adventure. The author's first four books, *Dancing on a Stamp*, *Dancing Forever with Spirit*, *Dance of Heavenly Bliss*, and *Dance of Eternal Rapture*, recount his dialogue and astral trips with his guide, who took him to the Spirit Realm and other planets in our galaxy. In his fifth book, the author recalls a trip to the Spirit Side to observe an orientation class about planet Earth for souls planning to incarnate on our planet. In this session, souls learn about the origin of the universe, the true nature of souls, the preparation of Life Plans for each new incarnation, the purpose of a human journey on Earth, the role of spirit guides and guardian angels in our lives, the joyful transition of souls back to the Spirit Side in the afterlife, and the illuminating aspects of the Life Review we will all enjoy after leaving our bodies behind. The book confirms that God (Source) does not make rules for us to follow and does not judge or punish souls for what they did on Earth, which means that all souls return to the Spirit Side regardless of what they did during their lives. In the Spirit Realm, he was thrilled to meet several famous historical figures, including Albert Einstein, Marie Antoinette, and Mother Teresa, who recalled the wisdom they had gained from their lives on Earth. The author describes an astral excursion to a distant planet inhabited with intelligent reptiles who are able to convert energy from their sun into sustenance for their bodies, as well as a trip to Earth in a parallel universe where humans learned to drastically reduce pollution by developing a technique to teleport people and goods from place to place without burning fossil fuel. On the Earth plane, the author travelled to the underground caverns in Area 51 where he saw the spacecraft that crashed near Roswell, New Mexico in 1947, along with the bodies of the little aliens who perished in the mishap. Albert confirmed to the author that these aliens are one of several advanced and benevolent ET races who have been visiting our planet for eons. And his most fascinating experience was listening to a conversation with three wise Masters, Jesus, Mohammad, and Moses, who discussed returning to Earth some day as a much-needed messiah to lead humans onto the path of spiritual enlightenment. In this book you will discover what the messages from the different body systems mean and how you can heal any situation by understanding the message that is being delivered and acting appropriately on that message. This is a secret language that is now being revealed. It is no longer a mystery. Discover for yourself what YOU are trying to say to YOURSELF.
